Good day Ms. Vezendy,

As per our Deputy Financial Manager, Mr. Gaudencio Rosario (see email thread below), there are no local mandates indicating any threshold on what amounts of unclaimed property should be submitted. Of course, business-sense should be the precedence when interpreting this finding.

In summary, one must weigh the cost of submitting the unclaimed property versus the amount of the unclaimed property of \$0.82.

Hi Anita,

I don't see the needs to remit \$0.82 in unclaimed property as I can't find any threshold ruling on reporting unclaimed property.

Thank you.

Helen,

Ms. Vezendy is just inquiring if they need to remit \$0.82 for unclaimed property.

She is not seeking other data.

Good Afternoon,

We are preparing to report Unclaimed Property for Plains Marketing, L.P. Taxpayer # 76-0587115. We have a total of \$0.82 to report for one account to Guam. Please advise if we should still remit these funds as it is a small dollar amount.

Thank you,
